ALLEGHENY PARTNERS FOR OUT-OF-SCHOOL TIME

PROFESSIONAL DEVELOPMENT:

APOST QUALITY CAMPAIGN ORIENTATION

BECOME AN APOST QUALITY CAMPAIGN MEMBER!

This workshop will familiarize program providers with the elements required for quality Out-of-School Time programming as well as the core competencies necessary for afterschool and youth development professionals. OST providers will have a thorough understanding of how to use the APOST Quality Self-Assessment to identify program weaknesses and obtain support where practices need to be strengthened. OST providers will also begin a portfolio to track their personal professional development growth. Upon completion of the Orientation, providers will have the knowledge needed to successfully complete the APOST Quality Self-Assessment with their organization, complete an Action Plan for ongoing improvement, and become official APOST Quality Campaign members! APOST Quality Campaign member benefits include use of APOST logo on all marketing materials, recognition of participation in continuous quality improvement efforts on www.afterschoolpgh.org, priority preference to CYC Basic Course/ other special offerings, preference when applying for APOST Quality Capacity Grants...and much more!
